

LICENSED REFINERIES IN NIGERIA GRANTED AS AT APRIL 2018

*** The blue print indicates the list of companies that can break ground
*** The black print indicates the active licenses/approvals
*** The Dark Blue print indicates DED Approval granted but License to Establish expired
*** The Orange print indicates FEED Approval granted but License to Establish expired
*** The red print indicates expired licenses.

S/NO	NAME	LOCATION	PLANT CONFIGURATION	LICENSE GRANTED (DATE)	LICENSE VALIDITY	PROJECT DESCRIPTION	CAPACITY (BPSD)	CURRENT STATUS
1	Waltersmith Refining & Petrochemical Company Limited	Ibigwe, Imo State	Topping plant	Approval to Construct (March 2017)	Mar-19	Modular plant capable of producing naphtha, kerosene, diesel, and low pour fuel oil.	5,000	ATC granted. EPC contract terms agreed with VELEM. EIA review session with DPR. Closing out funding with AFC.
2	Clairgold Oil & Gas Engineering Limited	Koko, Delta State	Hydro-skimming plant	Approval to Construct (March 2017)	Mar-19	Modular plant capable of producing naphtha, kerosene, diesel, and low pour fuel oil.	20,000	ATC granted. Company to start equipment sourcing
3	Niger Delta Petroleum Resources	Ogbele, Rivers state	Hydro-skimming plant	Approval to Relocate/Construct 5,000 Bpsd Atmospheric Distillation Unit. (Feb. 2017)	Feb-19	Modular plant capable of producing naphtha, kerosene (DPK), diesel (AGO), Marine diesel, Liquefied Petroleum Gas (LPG)	10,000	Engineering design, equipment re-engineering and conditioning on-going
4	Dee Jones	New Port Extension, Calabar Port, Cross Rivers State	Topping plant	Approval to Construct/Relocate (ATC) (June 2016)	Jun-18	Modular plant capable of producing naphtha, kerosene (DPK), diesel (AGO), and low pour fuel oil (LPFO).	6,000	Project site inspected. Engineering design and equipment re-engineering and conditioning on-going
5	Energia Limited	Kwale, Delta State	Hydro-skimming plant	License to Establish (LTE) (August 2015)	Aug-17	Modular plant capable of producing LPG, gasoline (PMS), kerosene (DPK), diesel (AGO), and low pour fuel oil (LPFO).	20,000	FEED approval granted. Yet to proceed from FEED because of funding challenges. Company says it intends to scale down project to phases of 5,000 Bpsd each.
6	Southfield Petrochemical & Refinery Ltd.	Owanoba, Edo State	Hydro-skimming plant	License to Establish (LTE) (August 2016)	Aug-18	Modular plant capable of producing Gasoline, LPG, kerosene (DPK), diesel (AGO), and low pour fuel oil (LPFO).	20,000	FEED is on-going.
7	Starex Petroleum Refinery Ltd	Onne Oil & Gas Free Trade Zone	Conversion cracking plant	Approval to Construct (2004)	2006	Conventional plant capable of producing transportation fuels PMS, HHK, AGO; and heating oil LPFO.	100,000	Fund sourcing on-going.
8	RG Shinjin Petrochemicals Limited	Koko, Delta State	Hydro-skimming plant	Approval to Construct (Sept. 2017)	Sep-19	Modular plant capable of producing naphtha, kerosene, diesel, and low pour fuel oil.	10,000	Requested expansion of refinery to 50,000BPSD. company to submit detailed engineering of proposed capacity of 50,000Bpsd
9	Dangote Oil Refinery Company	Lekki Free Trade Zone, Lagos	Complex conversion (cracking) refinery	Approval to Construct (Mar. 2018)	Mar. 2020	Conventional plant capable of producing transportation fuels PMS, HHK, AGO; heating oils' LPFO, and petrochemicals. HHK, AGO; heating oils' LPFO, and petrochemicals.	500,000	Equipment fabrication and testing at the factories and manufacturer's yards are on-going.
10	OPAC Refineries	Umuseti, Delta	Topping plant	Approval to Construct (Mar. 2018)	Mar. 2020	Modular plant capable of producing naphtha, kerosene, diesel, and low pour fuel oil.	7,000	Refinery equipment has been cleared from the wharf and transported to project site. Ground preparation and foundation construction for equipment is on-going
11	Azikel Petroleum Limited	Obunagha, Bayelsa State	Hydro-skimming plant	Approval to Construct (ATC) (revalidated in Mar. 2018)	Mar. 2020	Modular plant capable of producing naphtha, kerosene, diesel, and low pour fuel oil, and power.	12,000	Equipment sourcing on-going. APPROVAL TO CONSTRUCT REVALIDATED
12	Resource Petroleum & Petrochemicals International Incorporated	Ibena, Akwa Ibom State	Complex conversion (cracking) refinery	ATC (revalidated in Oct. 2017)	Oct. 2019	Conventional plant capable of producing transportation fuels PMS, HHK, AGO; and heating oil LPFO.	100,000	EPC with Ministry of Environment secured bank guarantee letter for US\$5.5billion, Jan. 2017, no proof sent to DPR. According to submission, construction of refinery was to commence August, 2017.
13	Don Mac Ltd.	Oben, Edo State	Hydro-skimming plant	License to Establish (LTE) (August 2016)	Aug-18	Modular plant capable of producing Gasoline, kerosene (DPK), diesel (AGO), and low pour fuel oil (LPFO).	10,000	Commenced Front End Engineering Design but yet to submit to DPR for review and approval

14	Bua Refinery & Petrochemicals Ltd	Ntaikang, Akwa-Ibom State	Conversion cracking plant	License to Establish (LTE) (Sept., 2017)	Sep-19	Conventional plant capable of producing Polypropylene, Propane, Benzene, Butane, Gasoline, DPK, ATK, AGO, LPFO.	150,000	Fund sourcing on-going.
15	Kingdom Global Trading Petroleum & Gas Nig. Ltd.	Okwagbe, Ughelli south L.G.A., Delta state	Hydro-skimming plant	License to Establish (LTE) (April,2017)	Apr-19	Modular plant capable of producing Off Gas, Unleaded gasoline, kerosene (DPK), diesel (AGO), and low pour fuel oil (LPFO).	12,000	Fund sourcing on-going.
16	Platinum Hydrocarbon Resources Ltd.	Ikwewu-Amukpe, Sapele, L.G.A. Deltas state	Hydro-skimming plant	License to Establish (LTE) (April,2017)	Apr-19	Modular plant capable of producing Gasoline/ Naphtha, kerosene (DPK), diesel (AGO), and low pour fuel oil (LPFO).	10,000	Fund sourcing on-going.
17	Mondonat Nigeria Ltd.	Okpaka, Delta State	Hydro-skimming plant	License to Establish (LTE) (October 2016)	Oct-18	Modular plant capable of producing Gasoline/ Naphtha, kerosene (DPK), diesel (AGO), and low pour fuel oil (LPFO).	20,000	Fund sourcing on-going.
18	Ikwe-Onna Refinery Ltd	Ikwe, Akwa Ibom State	Topping plant	License to Establish (LTE) (August 2016)	Aug-18	Modular plant capable of producing Naphtha, kerosene (DPK), diesel (AGO), and low pour fuel oil (LPFO).	5,000	Fund sourcing on-going.
19	Shepha Petroleum & Petrochemicals Company Limited	Ovrode, Delta State	Hydro-skimming plant	License to Establish (LTE) (June 2016)	Jun-18	Modular plant capable of producing gasoline (PMS), kerosene (DPK), diesel (AGO), and low pour fuel oil (LPFO).	30,000	Fund sourcing on-going.
20	Conodit Refinery Nigeria Limited	Umukwata, Delta State	Hydro-skimming plant	License to Establish (LTE) (June 2016)	Jun-18	Modular plant capable of producing gasoline (PMS), household kerosene (HHK), diesel (AGO), and low pour fuel oil (LPFO).	20,000	Fund sourcing on-going.
21	JIL-Amber	Port Harcourt Refinery	Conversion cracking plant	Approval to Relocate (Sept. 2017)	N/A	Conventional plant capable of producing transportation fuels PMS, HHK, AGO; heating oils' LPFO, and petrochemicals. HHK, AGO; heating oils' LPFO, and petrochemicals.	100,000	FEED dossier for the refinery project has been submitted for review.
22	Duport Midstream Company Limited	Egbokor, Orhionmwon L.G.A, Edo State	Hydro-skimming Plant	License to Establish (LTE) (Sept-2017)	Sep-19	Modular plant capable of producing gasoline (PMS), household kerosene (HHK), diesel (AGO), and low pour fuel oil (LPFO).	10,000	Fund sourcing on-going
23	Gazingstock Petroleum Company Limited	Abalagada, Ndokwa East L.G.A, Delta State	Topping Plant	License to Establish (LTE) (Oct-2017)	Oct-19	Modular plant capable of producing naphtha, kerosene, diesel, and low pour fuel oil.	5,000	Fund sourcing on-going
24	Petrolex Oil & Gas Limited	Ibefun Ijebu, Ogun State	Conversion cracking plant	License to Establish (LTE) (December 2017)	Dec-19	Conventional plant capable of producing transportation fuels PMS, HHK, AGO; heating oils' LPFO, and petrochemicals. HHK, AGO; heating oils' LPFO, and petrochemicals.	250,000	Fund sourcing on-going
25	Etopo Energy Plc	Obotobe, Burutu L.G.A, Delta State	Hydro-skimming Plant	License to Establish (LTE) (Jan-2018)	Jan-20	Modular plant capable of producing gasoline (PMS), household kerosene (HHK), diesel (AGO), and low pour fuel oil (LPFO).	30,000	Fund sourcing on-going
26	Eghudu Refinery Limited	Eghudu Village, Ovia North East L.G.A, Edo State	Hydro-skimming Plant	License to Establish (LTE) (Mar. 2018)	Mar. 2020	Modular plant capable of producing gasoline (PMS), household kerosene (HHK), diesel (AGO), and low pour fuel oil (LPFO).	24,000	Company making plans to commence Front End Engineering Design.
27	Ibafon Refinery FZE	Calabar FTZ, Calabar Cross River State	Topping Plant	License to Establish (LTE) (Mar. 2018)	Mar. 2020	Modular plant capable of producing naphtha, kerosene, diesel, and low pour fuel oil.	10,000	Plans to commence engineering for the refinery project is underway.
28	Kainji Resources Limited	Oguta, Imo State	Hydro-skimming plant	License to establish (LTE) (July 2015)	Jul-17	Modular plant capable of producing PMS, HHK, AGO, and LPFO.	24,000	FEED approval granted. Awaiting submission for Detailed Engineering Design. LICENSE TO ESTABLISH (LTE) EXPIRED
29	Eko Petrochem & Refining Company Limited	Tomaro Island, Lagos State	Hydro-skimming plant	License to Establish (LTE) (August 2015)	Aug-17	Modular plant capable of producing LPG, gasoline (PMS), kerosene (DPK), diesel (AGO), and low pour fuel oil (LPFO).	20,000	FEED Approval granted. company intends to commence DED soonest. United States Trades and Development Agency (USTDA) has awarded it a monetary grant of US\$797,343. LICENSE TO ESTABLISH (LTE) EXPIRED
30	HI Rev Oil Limited	Utapate, Akwa Ibom State	Hydro-skimming Plant, with provision for bottoms upgrading	Approval to Construct (ATC) (July 2015)	Jul-17	Modular 10,000 BPSD plants capable of producing PMS, HHK, AGO, and LPFO.	50,000	Equipment sourcing on-going. APPROVAL TO CONSTRUCT EXPIRED

31	Frao Oil Nigeria Limited	Uzere, Delta State	Hydro-skimming plant	License to establish (LTE) (June 2015)	Jun-17	Modular plant capable of producing PMS, HHK, AGO, and LPFO.	12,000	Company completed Engineering design but yet to submit to DPR for review and approval. LICENSE TO ESTABLISH (LTE) EXPIRED.
32	Epic Refinery & Petrochemical Industries Limited	Oporoma, Bayelsa State	Conversion (cracking) plant to be built in modules with provision for bottoms upgrading	License to establish (LTE) (June 2015)	Jun-17	Modular 30,000 BPSD plants capable of producing PMS, HHK, AGO, and LPFO.	107,000	Fund sourcing on-going. LICENSE EXPIRED. However company applied for revalidation but has not yet met the necessary recommendation
34	Masters Energy Oil & Gas Limited	Rumoulumeni, Rivers State	Hydro-skimming plant	License to establish (LTE) (June 2015)	Jun-17	Modular plant capable of producing PMS, HHK, AGO, and LPFO.	30,000	Fund sourcing on-going. LICENSE TO ESTABLISH (LTE) EXPIRED
35	Cross Country Oil & Gas Limited	Obile, Imo State	Hydro-skimming plant	License to establish (LTE) (June 2015)	Jun-17	Modular plant capable of producing PMS, HHK, AGO, and LPFO.	20,000	Fund sourcing on-going. LICENSE TO ESTABLISH (LTE) EXPIRED
36	Grifon Energy Limited	Ipoke, Ondo State	Topping plant, with provision to adding catalytic reforming.	License to establish (LTE) (June 2015)	Jun-17	Modular plant capable of producing naphtha, kerosene, diesel, and low pour fuel oil.	10,000	Fund sourcing on-going. LICENSE TO ESTABLISH (LTE) EXPIRED
37	Sifax Oil & Gas Company Limited	Snake Island, Lagos	Hydro-skimming Plant modules with provision for bottoms upgrading (cracking)	License to establish (LTE) (June 2015)	Jun-17	Modular 30,000 BPSD plants capable of producing PMS, HHK, AGO, and LPFO.	120,000	Fund sourcing on-going. LICENSE TO ESTABLISH (LTE) EXPIRED

38	Capital Oil & Gas Industries Limited	Snake Island, Lagos	Hydro-skimming Plant modules with provision for bottoms upgrading (cracking)	License to establish (LTE) (June 2015)	Jun-17	Modular 30,000 BPSD plants capable of producing PMS, HHK, AGO, and LPFO.	100,000	Fund sourcing on-going. LICENSE TO ESTABLISH (LTE) EXPIRED.
39	All Grace Energy Limited	Ubima, Rivers State	Topping plant	License to establish (LTE) (August 2015)	Aug-17	Modular plant capable of producing naphtha, kerosene, diesel, and low pour fuel oil.	5,000	Fund sourcing on-going. LICENSE TO ESTABLISH (LTE) EXPIRED.
40	Green Energy International Limited	Otakikpo, Rivers State	Topping plant	License to establish (LTE) (June 2015)	Jun-17	Modular plant capable of producing naphtha, kerosene, diesel, and low pour fuel oil.	5,000	Fund sourcing on-going. LICENSE TO ESTABLISH (LTE) EXPIRED.
41	Fresh Energy Limited	Igbomatoru, Bayelsa State	Topping plant	License to establish (LTE) (June 2015)	Jun-17	Modular plant capable of producing naphtha, kerosene, diesel, and low pour fuel oil.	10,000	Fund sourcing on-going. LICENSE TO ESTABLISH (LTE) EXPIRED.
42	Chyzob Oil & Gas Limited	Obuzor, Abia State	Topping plant	License to establish (LTE) (June 2015)	Jun-17	Modular plant capable of producing naphtha, kerosene, diesel, and low pour fuel oil.	10,000	Fund sourcing on-going. LICENSE TO ESTABLISH (LTE) EXPIRED.
43	Aiteo Energy Resources Limited	Ajagbodudu, Delta State	Hydro-skimming Plant modules with provision for bottoms upgrading (cracking)	License to establish (LTE) (June 2015)	Jun-17	Modular 30,000 BPSD plants capable of producing PMS, HHK, AGO, and LPFO.	100,000	Fund sourcing and FEED Designon-going. LICENSE TO ESTABLISH (LTE) EXPIRED
44	Associated Worldwide Company Limited	Eket, Akwa Ibom State	Hydro-skimming plant	License to Establish (LTE) (August 2015)	Aug-17	Modular plant capable of producing LPG, gasoline (PMS), kerosene (DPK), diesel (AGO), and low pour fuel oil (LPFO).	20,000	Fund sourcing on-going. LICENSE TO ESTABLISH (LTE) EXPIRED.
45	Amakpe International Refinery Inc.	Eket, Akwa Ibom State	Hydro-skimming plant	ATC (revalidated Dec. 2007)	Expired	Modular plant capable of producing PMS, HHK, AGO, and LPFO.	12,000	Fabricated process units were inspected certified fit but were not shipped to Nigeria. Company taken over by AMCON. LICENSE EXPIRED

TOTAL PROPOSED CAPACITY OF LICENSED REFINERY
